(Kid intro)

(Baby):
Is there room for me out there to play? Aw man!!!

Phone dials …

Phone rings …

(C.O.):
Hello?

(Cheryl):
Hello?

(Cheryl):
C.O.

(C.O.):
Yeah! Hey! What's up? What? Cheryl?

(Cheryl):
Yeah! yeah! It's me.

(C.O.):
Hey! What's up cousin? How you doing?

(Cheryl):
I'm doing good, um, can u yo talk?

(C.O.):
Yeah! Yeah! What's going on?

(Cheryl): Well …, …um, …um, I don't know how to tell you!

(C.O.):
Hey! Turn that down yo! … Go ahead Cheryl, what's on your mind?

(Cheryl):
Well …, remember when we were young and we'd talked about what could be the worse thing that could happen to us?

(C.O.):
Yeah! I remember, what you pregnant?

(Cheryl):
Yeah!

(C.O.):
Oh! Aww man!

(Intro Verse)

Lay back recline relax
Let me take this time in fact
Kick back to this rhyme
Let me tell you about this dime
Named Cheryl the pearl
And how this girl's
World was rocked
By abortion
Caution
Topic hot
Parents be advised
Kids leave the room
I'm exposing the lies

(Verse 1)

See girly was full of worries
When she found out that she
Was pregnant
Needed answers quick
Fast in a hurry
Her vision
Very blurry
Surely Cherly
Wanted kids
But not this early
A lean queen
Sixteen with dreams
But her big king
Fled with fear
Her parents disappointment
Very clear
Probably why called a brother
Shedding tears
Filled with rage and mixed emotion
I got the notion
From Paige
What got her open
Contemplating
An abortion for days
No discipline
Listening
To them jezzies off
Pioneer and Michigan
Not to mention
Planned Parenthood
Whispering
In her ear
Though the spot was hot
I vowed to God
I'd drop
Into her noggin
Adoption
I prayed while I was waiting

For a word in edge wise
She asked me,
(Cheryl): "Is abortion wrong?"
Listen to them babies cry
No love
You don't want them to die
And that's why
They sing the song like …

(Hook)

I know that you're frustrated
But tell me is the world that populated?
No it's just not fair!
I know there's room for me out there

Momma please don't go!
I know that you're going to love me so
I deserve a chance
Don't bring my life to an end

(Verse 2)

I told her you don't want a murder rap
Depressing
Stressing
All of that
Sipping alcohol
Thoughts of taking
Whole bottles ofTylenol
Baby girl
Isolation ain't fun
Remember when
What you wish
You could forget you've done
You there hon?
(Cheryl) Yeah!
Maybe barren
Who says you're gonna be able
To have a kid when you're stable
Post emotions
Doctors cover up the truth about them
Just like some men
Cover up them bald spots on top of their noggins
Soon as your egg was fertilized
A soul entered
Baby alive due to arrive
Sometime in December
A complete genetic package
Nothing to be
Added
Except the doctors recommitment
To the Hippocratic Oath
Then she added,
(Cheryl) " They say its just a fetus"
In the womb
But it'll be called a corpse
Before it hits the tomb
America's not immune
To brutality
Ie: slavery

Civil Rights atrocities
The U.S. philosophy's
A carbon copy of the Nazis
The doctors are Hitler
The babies are the Jews
I'm Oscar Schindler boo
Trying to save a few
From the Holocaust
Cause the Constitution
Guarantees the right to life
Not to execution …

(Bridge)

I don't know why I happened to you
But momma please
Do what I need you to do
The right choice can be found
Can't you see me moving on the ultra sound?

(Hook)

I know that you're frustrated
But tell me is the world that populated
No it's just not fair
I know there's room for me out there

Momma please don't go
I know that you're going to love me so
I deserve a chance
Don't bring my life to an end

(Repeat 1x)

(Outro)

Don’t go!
Don’t go!
Don’t go!

(Baby):
Momma, please don’t go!

Don’t go!
Don’t go!
Don’t go!

(Baby):
Can’t you feel me moving?

Don’t go!
Don’t go!
Don’t go!

(Baby):
I can bring you joy!

Don’t go!
Don’t go!
Don’t go!

Please need me

Don’t go!
Don’t go!
Don’t go!

I deserve a chance!
I deserve a chance!

Phone rings ...

(Cheryl):
Hey C.O.! This is Cheryl ...
Just wondering if you could babysit tonight ...
Call me back
