(Hook)

As the debris
And ashes cinder
Hearts grow cold
And minds remember
The rise and fall
Of once a great city
Devoured by greed
And insensitivity
Faced to suffer
By the conceit of the blind
I endure with faith
Hold my head to the sky
Hoping the Good Lord
Hears my cry
And delivers me
From the filth and the slime

(Verse 1)

**Peep this connection
Blood on the ground
Like a wet reflection
The alien attacks the earth
And my tactics work
Driving cat's berserk
With a lethal yo
Top secret like a handshake
Decrypt flow
Thundering lighting
When I'm in the lab
When I spit the rhyme
Rob the mad scientist
I'm Frankenstein
An experiment gone wrong
Cause I drew the line
Monster on the mic
To oppressing super powers
I'm kryptonite
Penetrating force fields
I'm dressed to kill
The word is my sword
And the Christ my shield
At will
I will
Disturb
All the Zombiez
Whose visions blurred
The privileged species
We're sending them
And giving them unease
With just one word (Jesus!!!)**

(Hook)

(Verse 2)

See we on real Jesus Christ

Y'all on some

Je'sus White

We on some

Fredrick Thug-less

Y'all on some

Holy ... What's this?

We on some

Caesar Chavez

Y'all on some

Worship dead prez

We on some

Prayer and fasting

Y'all on some

Getting blasted

We on some

Education

Y'all some

Plantation

We on some

Rep Him (Represent Him = Jesus)

Test them (them = Test all people no matter who they are)

Y'all on some

Yes sir, yes sir

We on some

We on expose the lies

Y'all some compromise

(Hook)

(Verse 3)

**Run, sweat man
Dunk to this
STILL crunk to this
Teeny boppers hip hoppers
Rock to this
Shake, dance
Kick dust to this
Wake up in this
Idol King my dude
Is up in this
The doped up
On meds, in bed with the feds
Coked up
Walking dead
Snap out of it
The spineless, mindless,
Aimless, full of blindness, wicked,
Ain't 'bout time all y'all repent?
Lobotomized with side affects
That you can't detect
Implanted with a cyber chip
Oblivious to the systematic
Born and bred
Deceptive plot
The hatch like an egg
... But losing your soul
You're gaining the world
But losing your soul
You're gaining the world
And losing your soul
The greedy ain't got
No self control**

(Hook)
