

**(Hook)**

**Nat Turner  
I bet you never heard of  
Cause they never ever  
Want to have  
Another  
Nat Turner**

**Nat Turner  
I bet you never heard of  
Cause they never want  
Another  
Black learner  
Like Turner**

**(News Flash 2)**

**Those watching the crimes,  
And creating the conditions for crimes,  
Are just as guilty as those doing the crimes!!!**

**(Counter hook 1)**

**Nat Turner  
Was a black learner  
Meat you might hate to eat  
If you like Gerber**

**(Verse 2)**

**He took his hood and religion  
Then he mixed it with his vision  
That he said was God-given  
That emerged in his prison  
Of ethnocentricism  
Witnessed in Virginia  
He was driven  
To his mission  
Then arrived at his decision  
To stand (Stand up)  
Against contradiction atrocities  
Suffocating hypocrisy  
Conflict  
The background and sound  
Of his odyssey  
Living in a fairy tale  
Of fictitious freedom and democracy  
Mistreated by his white brothers  
Constantly  
Was he so intoxicated,  
About being emancipated,  
That he needed therapy to repress,  
His quest for liberty?  
Take his dreams  
You take away his hope  
Prejudice versus post  
Make submission a joke  
Make decisions  
That affect me  
Don't explain  
Then you vex me  
Next to Jesus  
How I cope?  
Learn, praying and vote  
Nope  
It's 1800's  
Trained to invent  
Something**

**For my master  
I gotta love'em  
Right or wrong  
Work for nothing  
If I can't read  
I don't know  
I can't teach  
If I can't speak  
There's no  
Freedom of speech  
If I can't carry a gun  
Then I can't protect  
If I can marry  
But can't keep my kid, no sex  
If I can't pray or sing  
To my God in peace  
Without being a threat  
Without being policed  
If I can't disagree and earn your respect  
Was Nat a ticking time bomb,  
Y'all know what's next?**

**(Hook)**

**Nat Turner  
I bet you never heard of  
Cause they never ever  
Want to have  
Another  
Nat Turner**

**Nat Turner  
I bet you never heard of  
Cause they never want  
Another  
Black learner  
Like Turner**

**(News flash 3)**

**Don't fear them, who can kill the body, but not the soul!!!  
Fear God, who can destroy both in hell!!!**

**(Counter hook 2)**

**Nat Turner  
Was the black learner  
Food you might hate to eat  
If you like burgers**

**(Verse 3)**

**Was Nat's a case of,  
Derelict parenting,  
Or was Nat's parents addicted  
To weed and heroine?  
Was welfare crack to his momma?  
Was she burdened,  
By his daddy's lazy alcoholic drama?  
Was his poppa,  
A sex-crazed,  
Unemployed, moral degenerate,  
Sexually irresponsible,  
Violent, belligerent,  
Drug dealing, gun-toting, gangster criminal?  
You know how FOX (FOX NEWS) be spinning it,  
Mad subliminal!!!  
Was Nat spoiled?  
Did Nat lack consistent discipline?  
Did his parents love him too much,  
Not to train him or tame him,  
And give him blows to his buttocks,  
That would develop his character,  
So he wouldn't shame 'em in his grow up?  
Was his anthem,  
When he didn't get his way,  
Kick and scream and throw a tantrum?  
You know they tore his butt up!!!  
Nat survived 30 years in the field  
So why the narrative,  
Black fam's (families),  
Are whack with bad parenting?  
If black fam's were whack  
It was assisted  
By rich white folks  
That got rich by our division  
Rather, than help fix what they broke  
Narratives are knitted  
To remove their guilt  
Less they get convicted**

**(Hook)**

**Nat Turner  
I bet you never heard of  
Cause they never ever  
Want to have  
Another  
Nat Turner**

**Nat Turner  
I bet you never heard of  
Cause they never want  
Another  
Black learner  
Like Turner**

**(News Flash 4)**

**It's one thing to believe, that something is wrong,  
But it's another thing to stand up and right the wrong!!!**

**(Counter hook 3)**

**Nat Turner  
Was the black learner  
Food you might push back  
If you like sugar**

**(Verse 4)**

**Did Nat stand in this land,  
And peep its mentality?  
It's conditional, skewed,  
Relative, standards of morality?  
As his professors,  
Did his oppressors,  
Shape his philosophy,  
That self is the authority,  
The only fact that determines,  
What's right and wrong morally?  
Did he pursue it,  
The savage adage,  
If it feels good and everyone agrees,  
And the majority comes  
To the same conclusion,  
Then it must be right do it?  
Was that his reply to it?  
Before docking in the U.S.,  
Did his fam (family),  
Hear the gospel,  
From the Ethiopian eunuch?,  
Reflect on their origin in Noah,  
That there's only one race,  
The human race,  
On Earth's face?  
But after watching in disgrace  
The lives of U.S. leaders  
Who failed to be good examples  
Though they were Bible readers  
Decided to disbelieve it  
And resolved to pursue voodoo, paganism  
Cause contradiction weakened  
Their response to their authority  
Since they often said one thing  
And did quite another morally,  
Or did they ponder,  
I never met this Christ,  
Whites,**

**Talk about,  
I've only seen Him,  
In the slave masters,  
Walk about?  
And if this God  
They talk about  
Really exist  
Knows all indeed  
Can watch me in need  
While the wicked feed  
Their mad appetites of greed  
Build kingdoms, empires  
And monopolies  
Play games with the Bible  
And it's prophecy  
Terrorize my kin  
Demonize and despise  
And exploit my friends  
Justify, hide and defend  
Slavery  
Like a verb  
Takes a noun and bends  
Pray to God  
For forgiveness of sin  
Just to do it again  
Though it seems  
They never change within  
Then leave the church  
And go lynch again  
Lord if I'm down with your flock  
Remove the stumbling blocks**

**(Hook)**

**Nat Turner  
I bet you never heard of  
Cause they never ever  
Want to have  
Another  
Nat Turner**

**Nat Turner  
I bet you never heard of  
Cause they never want  
Another  
Black learner  
Like Turner**

**(News Flash 4)**

**They want us fighting not uniting,  
But love will hinder their agenda,  
If we just surrender!!!**

**(Counter hook 1)**

**Nat Turner  
Was the black learner  
Meat you might hate to eat  
If you like Gerber**

**(Verse 5)**

**Was Nat an oracle an omen?  
Was Nat odd?  
Should we compare him like one did  
To Jihad?  
Was he a terrorist,  
Uncanny, pivotal,  
Vigilante war criminal,  
Preaching repentance?  
Was Nat a reaper of the fruit,  
Of the seed that's sown?  
Was he sent to collect the debt,  
That America owes?,  
Or did in history did he pop in,  
To remind us ain't no stopping,  
God's judgment?  
So America,  
Live up to your documents!!!**
